

## MARCH 2023 MONTH IN REVIEW

# Nunavut

### LAWS & ANNOUNCEMENTS

#### New Laws

Feb 16: From now through March 10, the GN Department of Family Services will be accepting [proposals for targeted employment training programs](#) to be delivered in the 2023-2024 fiscal year, which begins on April 1. Priority will go to programs for the disabled, out-of-school youth ages 15 to 30, miner sector and supervisory and management training.

#### New Laws

Feb 8: Nunavut and Newfoundland signed a Memorandum of Understanding agreeing to work together to promote social and economic development, trade and other areas of mutual interest.

#### Labour Relations

Feb 24: Second Reading for [Bill 20](#), which would amend the *Public Service Act* to resolve a discrepancy in the French and English versions of the law to clarify that the Minister may designate only a part of a day as a holiday.

#### New Laws

Feb 20: The CRA launched a [pilot project to make it easier](#) for NWT, Nunavut and Yukon residents to determine the lowest return airfare for purposes of claiming the Northern Residents Travel Deduction on their income tax returns.
