

## APRIL 2024 MONTH IN REVIEW

# Saskatchewan

### LAWS & ANNOUNCEMENTS

#### New Laws

Mar 20: Key items in the provincial Budget affecting employment: \$24.1 million for essential skills training; \$23.0 million for pre-employment programs; \$21.8 million for credentialed skills training delivered via post-secondary institutions; \$1.5 million to create 250 new apprentice seats for construction-related trades; and \$856,000 increase to support record high allocation of 8,000 Saskatchewan Immigrant Nominee Program nominations.

#### New Laws

Mar 27: The Saskatchewan Assembly tabled legislation that would maintain the temporary reduction of the provincial small business corporate income tax rate reduction to 1% in place until June 30, 2025. The rate had been scheduled to return to 2% on July 1, 2024.

#### Accessibility

Mar 14: The government established a new committee to provide guidance, build public awareness and support implementation of *The Accessible Saskatchewan Act* that officially took effect on December 3, 2023.
